Publication Authorization

The authors declare:

4. Authorization that, if this article is published in SPMI Case Reports, it becomes the property of the SPMI Case Reports Journal and cannot be reproduced, in whole or in part, without prior authorization from the editors. These restrictions do not apply to brief abstracts presented, or not, at scientific meetings;
5. Agreement with the availability of the above-identified article, in both print and electronic formats, by the SPMI Case Reports Journal, under a Creative Commons - Attribution-NonCommercial-NoDerivatives 4.0 International License. (Note: this means that the authors retain copyright but allow electronic copying, distribution, and printing of published articles for non-commercial, academic, or individual use by any user, without permission or payment, provided authorship and source are referenced, and derivative works are licensed under the same terms).
