below to qualify for this member
price.*

The Official Journal of the European Federation of Internal Medicine (EFIM)

The *European Journal of Internal Medicine* is devoted to promoting the science and practise of internal medicine in Europe. To this end the journal publishes original scientific articles, editorials, case reports, short communications and other information relevant to internal medicine and related fields. The journal also publishes news and articles concerning the activities and policies of the Federation as well as those of national internal medicine societies.

Visit the journal's website today at:

www.elsevier.com/locate/ejim

to order, for further information, and to link to valuable services such as:
